**Term 1 Indigo Sec 2 G3 English Welcome Letter**

Dear Parents and Students,

Welcome to a brand-new term at Indigo. We're excited to partner with you in Sec 2 G3 English this year and to help you turn effort into real, measurable progress. This letter gives you a clear overview of what to expect in Term 1, the support available, and the important dates and links you'll need. Please keep this letter handy as a guide for Term 1.

**Make the most of your English G3 lessons**

To ensure rigour, you will work on both Paper 1, Paper 2 and Current Affairs components every week. Lessons focus on building strong skills and exam techniques.

For students:

The right attitude towards learning makes all the difference. As you progress through a more complex secondary school curriculum, approach each lesson with a genuine desire to learn and improve. Remember that lessons are **not** merely sessions for notetaking; they are opportunities to encounter new skills, techniques, and ideas. Achievement at the end of each lesson is NOT that you have filled in all the blanks, but that you understand the lesson taught and if you encounter a similar question type in school (classwork / WA / Exams) you will be able to answer it confidently.

At Indigo, we design each lesson to allow students to attempt questions before answers are revealed. This process—learning through exploration and mistakes—is essential in cultivating thoughtful, resilient learners who will excel beyond their secondary school years.

As we work to foster an independent spirit of learning in every Indigo student, we strongly encourage you to seek clarification whenever you are in doubt and to ask questions whenever something is unclear. These habits reflect maturity and will serve you well both in and beyond the classroom.

For parents:

As your child enters the more demanding secondary school curriculum, it is important to recognise that expectations differ significantly from primary school, where scoring well is often easier. At Indigo, lessons are designed to expose students to new skills, techniques, and deeper content aligned to the both the MOE syllabus and the GCE O Level requirements. We intentionally allow students to attempt questions before reviewing answers, as learning from mistakes is key to developing independent, resilient learners.

We value our partnership with parents and invite you to support this process by encouraging your child to take ownership of their learning—asking questions, seeking clarification, and embracing challenges. With home and Indigo working together, we can help your child grow into a confident, self-directed learner prepared for future success.

What to do with the Current Affairs (CA) Notes

- CA is designed to develop critical thinking, expand knowledge that can be used for oral exams and argumentative/ discursive writing and to produce students with a broad world perspective.

- **Read actively:** Understand the content, highlight key ideas, and create simple mindmaps to link issues, causes and impacts.

- **Organise by topic:** Sort the information into themes (e.g. environment, technology, inequality) so that future revision for exams and writing becomes faster and more focused.

On top of your weekly regular notes, you will receive

- English workbook
  These are additional practices to help you reinforce what you have learnt in your Indigo lessons for Paper 1 and Paper 2. Detailed instructions can be found in the workbook when you receive it in January.

**Sec 2 G3 English Indigo Term Calendar**

| Term | Start Date | End Date |
|---|---|---|
| 1 | 8 December 2025 | 12 April 2026 |
| 2 | 13 April 2026 | 16 August 2026 |

**Key points to note**

Indigo Mobile Phone Policy

- No using of mobile phones unless the tutor has asked you to do so. All mobile phones must be in students' bags at all times. The tutor has the right to confiscate the phones if they are used without permission.

Online Options during the March, June, and September Holidays

- We understand that many of you will have holiday plans yet still want to keep up with the demands of the Secondary syllabus. To support you, we've arranged live online lessons or recorded lessons during the holidays so you can stay on track, revise consistently, and continue attending class without disruption, wherever you are. Details will be shared via community chats and LMS nearing the holidays.
