8 December 2025

**Term 1 Indigo Sec 2 IP Science Welcome Letter**

Dear Parents and Students,

Welcome to a brand-new term at Indigo. We're excited to partner you in Sec 2 IP Science this year and to help you turn effort into real, measurable progress. This letter gives you a clear overview of what to expect in Term 1, the support available, and the important dates and links you'll need. Please keep this letter handy as a guide for Term 1.

**What to Expect in the New Term**

As we kick off this term, please be prepared to engage in topical quizzes to assess your knowledge, especially since many schools have opted out of termly tests. These quizzes will help guide our learning process and ensure you are on the right track. This academic year is crucial—it's the streaming year—and your grades will have a greater impact than ever. Let's collaborate, focus our efforts, and aim for exceptional results!

**Make the most of your Science IP lessons**

To support learning in and out of class, here's how students can get the best out of each week:

- Pre-Class Preparation: Approach each 2-hour session with the mindset that you will fully utilise this time. Since most topics require 2 to 3 lessons to cover, be sure to review previous lessons and complete assigned homework before class.

- Post-Class Homework Policy: Completing homework is essential for reinforcement of concepts. Please ensure that all assignments are finished unless a written permission from a parent is provided.

- Homework Submission: Our tutors will be available to review your homework and guide you on important keywords.

On top of your weekly regular notes, you will receive

- Midway through the term, a Term 1 take-home question booklet to help prepare for upcoming assessments.

**Sec 2 IP Science Indigo Term Calendar**

| Term | Start Date | End Date |
|---|---|---|
| 1 | 8 December 2025 | 12 April 2026 |
| 2 | 13 April 2026 | 16 August 2026 |
| 3 | 17 August 2026 | 22 November 2026 |

**Key points to note**

Indigo Mobile Phone Policy

- No using of mobile phones unless the tutor has asked you to do so. All mobile phones must be in students' bags at all times. The tutor has the right to confiscate the phones if they are used without permission.

Online Options during the March, June, and September Holidays

- We understand that many of you will have holiday plans yet still want to keep up with the demands of the Secondary syllabus. To support you, we've arranged live online lessons during the holidays so you can stay on track, revise consistently, and continue attending class without disruption, wherever you are. Details will be shared via community chats and LMS nearing the holidays.

**Checklist for a good head start**

Please make sure you go through this checklist, so you are aware of all the additional services we have put in place for you in order for you to be consistent and steady in Science.

| Service | What is it | Link | Check it off! |
